The Children's Respite Trust in Uckfield

A day care centre for children with multiple disabilities.

Caring for a child with multiple needs beyond those of your average child is a massive undertaking.

Often these children have brothers and sisters for whom one-on-one time with their parents is a rare treat. Their needs can be overlooked.

At Uckfield Respite Trust the children with multiple needs have a great time with plenty of stimulation and personal attention amongst a group of care workers. Meanwhile the rest of the family have a day away.

The second hand shop has paid towards the renovation and equipping of the building, including a multi-sensory centre and part of the cost of a lift to the 'quiet room' on the first floor.
