School Estate

The school aims to conform to the Disability Discrimination Act 1995 and where practical will make reasonable adjustment to support the needs of any child or adult that uses the premises and its facilities. A budget is made available for further enhancements/improvements around the site.

Area	Action	Success Criteria	Evaluated / monitored by	Review dates
New builds	Conform to regulatory building requirements	Conform with Part B Building Regulations (fire safety) and Part M (accessibility) regulations.	Estates Manager	As per new building planning timescale.
Relocation of medical centre and wellbeing room	Work with architects to relocate medical centre and wellbeing room to give ground floor access.	Medical centre and wellbeing room established and functioning for all pupils including accessible toilets, basins and washing facilities.	Estates manager Bursar Medical Centre staff	Plans submitted.
Accessible toilets	Provide in Prep, Pre-Prep and Nursery.	Provides in all key areas	Estates Manager	Completed
Accessible lift	Provide lift to upper floor of Cloisters and Collings building	Provide lift as part of new building in Cloisters/Collings	Estates Manager	Completed
Disabled parking	Provide dedicated disabled parking	The site has a disabled parking space	Estates Manager	Completed
Emergency evacuation procedures	When advised of a disability that may affect how the child is evacuated from the building in event of fire, the school will write individual PEEPs and assistance is provided to help with emergency evacuation.	PEEP available and staff trained on how / when to complete	Deputy Head Estates Manager	Updated on new home intranet page March 2023
Improvements for those with visual impairment	Emphasise steps and light switches in the built environment for maximum safety.	Steps have a highlighted strip on them for increased visual enhancement, and coloured tape is fitted around the light switches in the disabled toilets.	Estates Manager Head of Maintenance	Completed February 2023
Access to site by contractors	Restrict access to site for safety of pupils and staff.	The school allows deliveries to the site between fixed hours, and vehicle movement plans are sent to regular	Estates Manager Bursar	Reviewed with new contractors.

Commented [AR1]: @Caroline PrestonBell

Commented [AR2R1]: Please can you check this updated wording.

Commented [CP3R1]: @Anita Randal are you ok if I put this in the same format as the sections above? I also want to include the medical centre move as this will improve disabled access and the inclusion of a wellbeing suite/room for counselling/mental health support.

	contractors so that they comply with	
	access restrictions and movement around	
	the site.	

This accessibility plan and the outcomes will be evaluated each year to monitor the plan's effectiveness and ensure that it covers all areas of accessibility needed in the school.
